**SECTION 4 - MISCELLANEOUS SERVICES****4.1 Travel Card Services**

Effective March 20, 2010, Travel Card Services will be grandfathered and will no longer be available to new residential Customers.

(T)

(T)

**4.1.1 General Description**

Travel Card Services are available for originating telephone calls. Service is accessed by dialing the Company-designated access numbers or via the Company's Operator services. Travel Card Service is offered to Customers with lines presubscribed to Company services and to Customers of a Company affiliated local exchange carrier who are not presubscribed to the Company's services. The applicable rates, including usage and per call charges, vary based on whether the Customer is presubscribed to the Company and which Company rate plan is selected by the Customer. In addition, a per call service charge as specified below applies when operator assistance is provided by the Company.

Travel Card Service is offered in three versions: 1) an unlimited version offers calling anywhere, including to international locations, except to blocked countries; 2) a version limited to domestic calling allows calling only within the 50 United States and the District of Columbia, American Samoa, Guam, Puerto Rico, US Virgin Islands, and the Northern Mariana Islands; 3) a final version allows calls to a designated telephone number only, which can originate outside the United States.

When operator assistance is provided by the Company operator to complete the call, a per call service charge applies as specified below. Service charges do not apply when the caller places the call from a rotary dial telephone and must use the operator to input the required digits. Service charges apply to each completed call, in addition to the usage charges specified above. See per call Service Charge rates applicable to Operator Assisted Station to Station or Person to Person in Section 4.4.7 of this tariff.

Effective March 20, 2010, Away from Home Service will be grandfathered and will no longer be available to new residential Customers. (T)  
(T)

**A. General Description**

The Away from Home Service Travel Card plan is offered to Residential Customers. The Away from Home plan offers a choice of domestic Travel Card packages designed to meet varying Customer requirements. For the packages that include monthly recurring charges, the Travel Card and Residential Personal Toll Free Number rates are lower than the rates available if those services were purchased outside of an Away from Home package. This plan allows Customers to originate long distance travel card calls via a Company provided toll free number. Customers will be billed a flat per minute rate for each call that originates and terminates within the 50 United States and the District of Columbia, American Samoa, Puerto Rico, Guam, the U.S. Virgin Islands and the Northern Mariana Islands. Away from Home is available 24 hours a day, seven days per week, where facilities exist. All calls are rated in full minute increments. The duration of a call, which involves a partial minute, will be rounded up to the next full minute. A pay telephone surcharge will be assessed, where applicable, on all calls made from a public payphone. Any other applicable surcharges will apply. The Customer must presubscribe to the Company and remain presubscribed to receive this service. In the event Customer requests another carrier, this service will remain active for no more than 60 days.

**SECTION 4 - MISCELLANEOUS SERVICES, (Cont'd.)****4.5 Optional Residential Services, (Cont'd.)****4.5.2 Residential Personal Toll Free Number**

Effective March 20, 2010, Residential Personal Toll Free Number will be grandfathered and will no longer be available to new residential Customers. (T)  
(T)

**A. General Description**

Residential Personal Toll Free Number is a toll free service that provides a telephone number for Residential Customers to receive calls. Residential Personal Toll Free Number is available to Customers with lines presubscribed to the Company's service. This service allows presubscribed Customers to pay for incoming calls made to a personal toll free number. Incoming calls to that toll free number terminate at a telephone number designated by the Customer, subject to limitations indicated below.

Residential Personal Toll Free Number calls can originate from all intrastate locations. Residential Personal Toll Free Number call termination is available to all domestic locations served by the Company. The Customer-designated termination number may be any valid telephone number except numbers designated by the North American Numbering Plan as toll free (800, 888, 877, etc.), 500, 700, 900, 976, public or semi-public pay telephone numbers and directory assistance (411 and NPA-555-1212) numbers.

Residential Personal Toll Free Number is free to the calling party. All charges are billed to the Residential Personal Toll Free Number Customer, based on the per minute usage rate indicated below. A Monthly Recurring Charge applies to each account subscribed to Residential Personal Toll Free Number, in addition to the applicable usage charges and per call charges specified below.

The Residential Customer who discontinues the Company's presubscribed service, or whose service is discontinued by the Company in accordance with the provisions in this tariff, will also discontinue, or have discontinued by the Company, their Residential Personal Toll Free Number option.

---

**SECTION 4 - MISCELLANEOUS SERVICES, (Cont'd.)****4.5 Optional Residential Services, (Cont'd.)****4.5.2 Residential Personal Toll Free Number, (Cont'd.)****B. Basic Option**

To call the Customer's designated terminating number, the Customer must dial the Company-designated toll free (800, 888, 877, etc.) terminating number and 4-digit Personal Identification Number (PIN) that has been assigned to the Customer's presubscribed residential telephone number. Subsequent to the initial establishment of the account, the Customer may change the termination number to an alternate telephone number. Because Residential Personal Toll Free Number Customers share access on the same toll free access number based on PIN, use of the toll free number may be lost if service is terminated. Customers may have multiple toll free numbers per account. Call detail is available on the Customer's monthly statement at no additional charge. (T)

Calls will be billed in one (1) minute increments after an initial minimum call duration of one (1) minute. Any partial minute will be rounded up to the next full minute. Residential Personal Toll Free Number may not be assigned or transferred for use with service provided by another carrier.

Distinctive Ring and Area Code Selection are not available with Residential Personal Toll Free Number. Customers must have touch-tone dialing to complete the toll free call. Minimum Service period for Residential Personal Toll Free Number is one month.

**C. Plus Option \***

Plus Option allows Customers to have calls routed to up to ten (10) different terminating numbers, using a single toll free number. The first terminating location defaults to the Customer's presubscribed telephone number. The Customer can specify the terminating numbers associated with each of the Residential Personal Toll Free Number Plus 4-digit PINs.

\* The Plus Option is not available to new Customers.
